IAM Username is the string "red_team_" appended by your student number. For example, if your student # is 009 then your IAM Username would be "red_team_009".

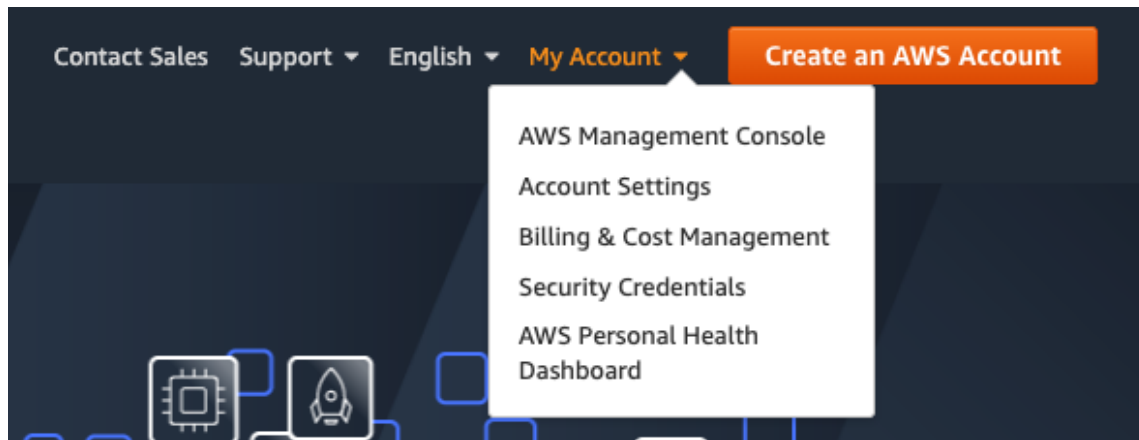

Password is...

tjjgufaa54\$win&WIN!92wqpcxqzz

Log in as an Admin AWS User

Log in as the admin user account:

- Go to: <https://console.aws.amazon.com> [\(https://console.aws.amazon.com/\)](https://console.aws.amazon.com/)
- Click the "My Account" link in the upper right hand corner and then click the "AWS Management Console" link

- If you see the text "Root user sign in" then click the "Sign in to a different account" link below the password form
- Enter the Account Id number assigned to your student number from the above table (e.g. 719313713759) and click the "Next" button
- Enter the username of the admin user and the password for the admin user to log back into the AWS console
